(Converts '13 and earlier models to fit 2014 bike)

- * If you purchase the Works Internal Kit for the forks, you will only need to pay for a Service & Oil Change; not a re-valve (forks only)
 * Note: If you already have our Works Internal Kit, all you would need is the Works External Kit to complete your Works Suspension.
- * Not checking any of the above boxes will put a delay on your suspension services.
