## **WORKS SHOWA SUSPENSION** 2014-2019 KX85/100 MODELS

### **THE KIT**

Pro Circuit now offers Showa Works Suspension for the Kawasaki 2014-2019 KX85/100. Using the same technology as the Monster Energy/Pro Circuit/Kawasaki racing team, the Showa Works Suspension for the '14-19 KX85/100 uses the same race team coatings, larger inner and outer fork tubes, larger shock body and CNC-machined fork lugs and shock clevis for the ultimate in strength, handling and control.

Pro Circuit's Showa Works Suspension for the '14-19 KX85/100 made its motocross debut at the 50th Annual Mammoth Mountain Motocross. Team Green riders Jett Reynolds, Stilez Robertson and Ryder DiFrancesco achieved success on the new Showa Works Suspension by earning wins and podium finishes and that same technology is now available to you.
